Registration day of only from 8:30 to 9:30

A & B Fields for 70/35 miles

\$10

Questions contact: jwnelson97@yahoo.com or jay.rutherford@gmail.com

MSU Cycling is pleased to announce that they will be adding two groups as a training race to the Bobcat Classic, scheduled for Sunday 19 April 2009. The race will take place just south of Three Forks, MT near the Lewis & Clark Caverns and will have a ~5km climb to the finish. Two categories will race (A & B) for 2 and 1 lap, respectively. Women are welcome in either group and may agree to start just behind the B field should they wish. Entry fee will be \$10 and please bring your reusable numbers (or any number you may have) to help keep costs down.

Please keep in mind that this is a training race. Thus, no MBRA points, upgrade points, nor other such points will be awarded. Rather, it is a chance to race on a great course that could be used for races in the future.

Directions from North or East:

Take US 287 south from intersection with I90 for approximately 11 miles. Bear right at fork to stay on MT 2. Lewis & Clark Caverns are approximately 5 miles on the right.

Directions from West:

Get off I90 at Exit 256 (Caldwell). Turn right and left immediately onto MT 2 (Frontage Road). Lewis & Clark Caverns are approximately 7 miles on the left.

Course Route:
